## EXPERIENCE

- FrontEnd Developer Intern

Ideation People Solutions pvt ltd

June 2024 – Present

remote

- During my tenure as a **Frontend Developer Intern** at Ideation People Solutions Pvt Ltd, I delved into the innovative world of **Next.js**. Leveraging this trending technology, I developed a robust full-stack web application featuring seamless **API integration, Firebase as a backend service, and efficient CRUD operations**. This project not only highlights my proficiency in modern web development but also demonstrates my ability to integrate advanced techniques to deliver a superior user experience.
- Associate Analyst

Vaco Binary Sementics LLP

July 2023 – Dec 2023

Gurugram, Haryana, India

- Collaborated with Google on the Hotel Pricing Accuracy project, analyzing and comparing user data to partner websites to ensure accurate pricing.
  - Gained valuable insights into the role of an analyst, enhancing skills in data analysis and accuracy verification.
- Sales Intern

Clicbrics Technologies pvt ltd

July 2022 – Oct 2022

Lucknow, UttarPradesh, India

- extensive sales experience, developing strong customer relationship management and persuasive communication skills.

## EDUCATION

- Tula's Institute Of Technology And Management

Bachelor of Business Administration

Dehradun, Uttarakhand, India

July 2019 – Aug 2022
